

Sri C. M. ARUMUGHAM.—I am asking this question for the entire K.G.F. people and not for myself. Is it not a fact that the monthly-rated employees of the K.G.F. Mines belonging to the Scheduled Castes are all housed in thatched sheds?

Sri B. D. JATTI.—Some are occupying thatched huts and some are occupying other houses.

Sri C. M. ARUMUGHAM.—Is it not a fact that certain quarters are exclusively reserved for other communities and not for Scheduled Castes?

Sri B. D. JATTI.—I have already answered that some are occupying thatched huts and some are occupying other houses.

Sri B. RACHIAH.—May I know the number of masonry buildings given to the Scheduled Caste monthly-rated employees?

Sri B. D. JATTI.—I have no information.

Sri B. RACHIAH.—Without having this information, how has the Chief Minister given his answer to the question? Are we to take it that the Chief Minister's answer is not correct or that he is withholding the information?

Mr. SPEAKER.—You may put a specific question.

Sri B. RACHIAH.—How many Scheduled Caste monthly-rated employees are given these masonry buildings? That is the question I asked and he is not able to answer it. Are we to take it that he is withholding the information?

Sri B. D. JATTI.—I take serious objection to this. I have never withheld any information. I said I have no information as to how many Scheduled Caste monthly-rated employees are occupying thatched huts and how many are occupying masonry buildings. If a specific question is put I will get the information.

Restoration of Jannur and Mukahalli Tanks.

*Q.—357. **Sri U. M. MADAPPA** (Chamarajanagar).—

Will the Government be pleased to state:—

(a) whether Jannur and Mukahalli Tanks in Chamarajanagar Taluk were

taken up for restoration in the year 1958-59 under minor irrigation scheme;

(b) if so, the expenditure so far incurred;

(c) whether sanction has been accorded to the estimates;

(d) if not, when do they propose to sanction the same;

(e) since how long it is pending in the Superintending Engineer's Office, Cauvery Circle, Mysore?

A.—Sri H. M. CHANNABASAPPA (Minister for Public Works and Electricity).—

(a) Yes.

(Upto end of June 1959.)

(b) Jannur Tank ... Rs. 11,099
Mukahalli Tank... Rs. 9,819

(c) No.

(d) The estimates are proposed to be sanctioned as soon as their technical scrutiny is over.

(e) The estimates are not pending in Superintending Engineer's Office.

Sri U. M. MADAPPA.—Supplementary to (c). May I know since how many years sanction has not been accorded to the estimates?

†**Sri H. M. CHANNABASAPPA.**—Ever since it was started.

Sri U. M. MADAPPA.—May I know the date on which it was started?

Sri H. M. CHANNABASAPPA.—On 19th December 1957.

Sri U. M. MADAPPA.—What is the reason for the inordinate delay in sanctioning the estimate in spite of the fact that two-thirds of the expenditure has been incurred?

Sri H. M. CHANNABASAPPA.—Certain technical changes have to be made. They were not completed. They have now been completed and sanction will be accorded very early.

Sri U. M. MADAPPA.—Is it not a fact that it is impossible to reach the physical target due to this delay in according the sanction?

Sri H. M. CHANNABASAPPA.—That is not correct.

Sri U. M. MADAPPA.—May I know how the Minister says that it is not correct that the physical target will not be reached?

Sri H. M. CHANNABASAPPA.—The physical target will be fixed not merely in respect of one work, but it will be fixed in respect of a number of works. The total target will be fixed for a number of works together which will be taken up. On that basis I say that it is not correct to say that the physical target will not be reached.

Sri B. RACHIAH.—May I know the date on which these tanks were breached?

Sri H. M. CHANNABASAPPA.—The Mukahalli tank was breached about 20 years back.

Sri B. RACHIAH.—Has any arrangement been made to give remission to the atchkatdars for not having got water?

Sri H. M. CHANNABASAPPA.—This pertains to remission. That question has not been asked.

Sri B. RACHIAH.—Within what date these estimates will be sanctioned?

Sri H. M. CHANNABASAPPA.—It is difficult for me to give a particular date on which it will be sanctioned, but anyway all efforts will be made to complete the work at an early date.

(b) Does not arise in view of reply to (a) above.

(c) This will be considered after the estimate is got ready.

ಶ್ರೀ ಎಚ್. ಎಂ. ಚನ್ನಬಸಪ್ಪ.—ಇನ್ವೆಸ್ಟಿಗೇಷನ್ ಮಾಡುತ್ತಾ ಇದ್ದಾರೆ. ಮೊದಲು ಇನ್ವೆಸ್ಟಿಗೇಷನ್ ಆಗಬೇಕು; ಆಮೇಲೆ ಎಸ್ವಿಪೇಟಾಗಬೇಕು.

9-30 A.M.

Sri U. M. MADAPPA.—Is it not a fact that the Hon'ble Minister has replied to one of my questions that the estimate has already been prepared?

Sri H. M. CHANNABASAPPA.—I do not remember, Sir; if my Hon'ble friend draws my attention, I will check up.
